2. Eligibility

The Referral Program is open to all existing customers of NeQter Labs. To participate, the referrer must have an active account in good standing. Referred companies must be new customers who have not previously purchased any of our products or services, have not already been referred by another partner/referrer and/or have not reached out to NeQter Labs directly prior to the referral.

3. Referral Rewards

For each successful referral, the referrer will receive a reward as specified in the program details. A referral is considered successful when the referred individual completes a purchase and the payment is fully processed.
